PREMIER COVERAGE

This unparalleled level of coverage includes all the parts & components outlined in BOTH our Executive and Elite plans, PLUS every original factory-equipped mechanical and electrical component, excluding only those specified in the Terms & Conditions of our contract, and the following:

EXCLUDED ITEMS INCLUDE*, BUT ARE NOT LIMITED TO the manual transmission clutch assembly, batteries, brake rotors and drums, catalytic converter, exhaust pipe, mufflers, tail pipes, frame and structural body parts, tires, valve stems and wheels/rims, glass, windows, mirrors, windshields, T-top, targa top, convertible top, lighting system components, exterior air/water leaks and noise, weather strips, body panels, trims, moldings, paint, bumpers, body sheet metal and panels, safety restraint systems, upholstery, carpet, LCD screen, DVD/Blu-ray player, GPS/navigation, radio/CD player, rearview back-up camera, alarm system, early collision detection system, self-park assist system, tire pressure monitoring system, adaptive cruise control, instrument cluster, keyless entry transmitter and receiver, remote controls, light bulbs, fuses, and any type of internal software updates or other failures. Normal maintenance service and parts including alignments, wheel balancing, tune-ups, spark plugs, brake pads, and wiper blades. *Filters, lubricants, coolants, fluids and refrigerants will be covered only if replacement is required in conjunction with an authorized repair.*

*Please refer to contract for a complete list of exclusions.

ELITE COVERAGE

INCLUDES EVERYTHING LISTED UNDER EXECUTIVE COVERAGE, PLUS THESE ADDITIONAL ITEMS:

SUSPENSION:

Upper and lower control arms and bushings, if bushings cannot be replaced individually; ball joints; leaf and coil springs only if broken.

STEERING COMPONENTS:

Power steering gearbox; rack and pinion; and high-pressure lines. *Steering box, rack and pump housing only if damaged by an internally lubricated part).*

BRAKE COMPONENTS:

Power brake booster; master cylinder; calipers; ABS hydraulic components; proportioning valve; ABS wheel speed sensors.

ELECTRICAL COMPONENTS:

Starter motor and solenoid; alternator, voltage regulator; electric cooling fan motor; distributor; power window motors/switches; power door lock actuators/switches; power trunk or tailgate actuator and motor; all manually operated switches; ignition control module; and cruise control assembly.

AIR CONDITIONING & REFRIGERANT:

Compressor; clutch; condenser; accumulator/receiver drier; and evaporator. *Refrigerant included only with covered repair.*

FUEL:

Fuel pump; fuel injectors; lift pump; transfer pump; MAP/air charge temperature sensor; intake manifold pressure sensor; and throttle position sensor.

EXECUTIVE COVERAGE

ENGINE:

Cylinder block and all internal parts; cylinder head assemblies; timing case/cover, timing chain, timing belt, tensioners, gears, sprockets, and guides; serpentine belt tensioner; harmonic balancer; oil pump; intake manifold; flywheel with starter ring gear; core plugs; valve covers; oil pan; factory-installed turbocharger/ supercharger including internal parts and wastegate actuator; oxygen sensor; mass airflow sensor; crank sensor; cam sensor. *Seals and gaskets are covered for listed components only.*

AUTOMATIC TRANSMISSION:

Transmission case and all internal parts; bell housing; transmission pan; torque converter; drive/flex plate; transmission range switch; speed sensors; pressure sensors; PRNDL position switch; transmission control module; valve body; mechatronics unit; conductor plate; servo assemblies; transmission cooler; seals and gaskets for listed components only; and reprogramming/re-flash up to \$150 per authorized claim. *Transmission case bell housing only if damaged by a covered component internal to the transmission/transfer case housing.*

MANUAL TRANSMISSION:

Main shaft; counter shaft; all gears; chain; input shaft; hub assemblies; synchronizers; shift rails; shift fork; and internal transmission bearings. Lubricated parts contained within the transmission case housing. *Transmission case only if damaged by a covered component internal to the transmission/transfer case housing. NOTE: Manual transmission clutch parts are not covered at any time.*

ENGINE COOLING SYSTEM:

Water pump and housing; fan clutch; radiator.

FRONT WHEEL DRIVE:

Transaxle case and all internal parts; axle shaft assemblies; constant velocity joints and boots; differential cover; transaxle speed sensors; transaxle solenoid assembly; transaxle electronic controller; wheel bearings/hub assemblies; seals and gaskets for listed components only. *Transaxle case only if damaged by a covered component internal to the transaxle case housing.*

ALL WHEEL DRIVE:

Power transfer unit and all internal parts; viscous coupler; axle housing and all internal parts; constant velocity joints and boots; drive shaft and axle shaft assemblies; differential carrier assembly and all internal parts; output ball bearing; output flange; end cover; overrunning clutch; vacuum motor; torque tube; pinion spacer and shim; wheel bearings/hub assemblies; seals and gaskets for listed components only. *Power transfer unit case only if damaged by a covered component internal to the power transfer unit housing.*

REAR WHEEL DRIVE:

Rear axle housing and all internal parts; axle shafts; axle shaft bearings; drive shaft assemblies; drive shaft center bearings; universal joints and yokes; wheel bearings/hub assemblies; seals and gaskets for listed components only. *Rear axle housing only if damaged by a covered component internal to the rear axle housing.*

FOUR-WHEEL DRIVE (4x4):

Transfer case and all internal parts; transfer case control module and shift mode motor assembly; axle housing and all internal parts; axle shafts; axle shaft bearings; drive shafts assemblies (front and rear); drive shaft center bearings; universal joints; 4x4 hubs; yokes; wheel bearings/hub assemblies; disconnect housing assembly; seals and gaskets for the listed components only. *Transfer case housing only if damaged by a covered component internal to the transfer case housing.*

FLUIDS:

Fluids are covered only when required in conjunction with a covered component.

SEALS & GASKETS:

If your vehicle has less than 100,000 miles at the time of the claim, seals and gaskets are covered for leakage failures as they relate to any listed covered component. If your vehicle has over 100,000 miles at the time of claim, seals and gaskets are covered only when required in conjunction with a covered component. (Cylinder head gaskets are covered only for combustion and coolant leaks. Intake manifold gaskets are covered only for coolant leaks).

VEHICLE SURCHARGES:

The following are available with surcharge if selected under Vehicle Surcharges on the Application page at time of contract purchase:

- 4WD/AWD
- Super Charge/Turbo
- V10 & V12
- EV Battery*
- Convertible

*Allowable degradation to charge capacity before claim will be paid is 80%

24/7 ROADSIDE SERVICES + VALUE-ADDED BENEFITS:

EMERGENCY FLUID DELIVERY: We deliver essential fluids to get you back on the road, such as fuel, oil, and/or water *(cost of fluids not included).*

FLAT TIRE ASSISTANCE: Up to \$50 per occurrence for jump-starting a dead battery *(not available for hybrid vehicles).*
